Martin Power

15/11/2016

Dear Mr Power,

As you know I had a motion before the Wexford County Council on the 14th Nov 2016 seeking to have the group of affected parties in Anne Street reengaged with the executives of Wexford County Council to address unanswered questions in relation to the assembly of the site in Anne Street.

Motion Wording

'In light of the Ann Street report presented to the October council meeting and in view of subsequent questions raised I request that the this council would facilitate a discussion with the group of affected parties in an effort to address unanswered questions'

The council meeting agreed that any councillor can bring outstanding unanswered questions to the attention of the County Manager Tom Enright.

I can confirm that [REDACTED] interim review was not put forward for adoption by the council at the meeting on the 14th November and the matter is on-going.

Yours Sincerely

Councillor Willie Fitzharris
